

Specifications

- **Ideal for your labeling needs** — prints labels up to $\sim\frac{3}{4}$ " (18 mm) wide
- **Backlit display** — type and print labels in low lighting conditions
- **Amazing variety** — 14 fonts, 10 styles, 300+ built-in symbols, over 75 frames, bar codes and more
- **Less waste** — smaller lead margin compared to other brands, for up to 60% less lead margin waste
- **Large built-in memory** — store up to 50 self-created label designs
- **Prints up to four lines of text** — more space for you to add specialty frames or symbols to enhance your design
- **Specialty print modes** — a variety of flag, tab and wrap style labels — ideal for cables, wiring and more
- **Easy to apply** — automatically printed with a split back for easy and fast peeling
- **Asset tagging** — easily print barcodes for products and merchandise
- **Whisper quiet** — prints labels without distracting those around you
- **Supports seven languages** — set to the language of your choice
- **Specialty labels** — double-sided tab tapes, glow-in-the-dark, reflective, metallic, strong adhesive, fluorescent and decorative tapes for everyday use in the home or office
- **Easy-to-use safety symbols and frames** — perfect for labeling hazardous materials; use the glow-in-the-dark tape to help light the way in the dark
